Welcome to your opportunity to help shape the future of our town over the next 20 years or so!

- What will our town be like in 20 years’ time?
- You can help shape it – if we create a vision for the future in a ‘Neighbourhood Plan’
- Please take a response form, answer the questions and give us your views about Winchcombe’s future
- Members of the Neighbourhood Plan Steering Group are here to explain in more detail if needed
