WHAT’S NEXT FOR OUR NEIGHBOURHOOD PLAN?

Outline of the next formal stages:

- Winchcombe Town Council and Sudeley Parish to consider proposals and people’s views
- Town Council to approve a formal Neighbourhood Plan reflecting community preferences
- Tewkesbury BC to advertise that plan for formal consultation
- An independent Examiner assesses the plan to check it is legal and generally complies with more strategic planning policies

- Many people have raised other issues about Winchcombe and its services and environment which do not need to be addressed in a formal Neighbourhood Plan; the Town Council will bring these issues together into a projects for its committees to take forward with the Winchcombe Business Forum and others in 2014 and 2015

- People in Winchcombe and Sudeley are asked to vote ‘yes’ or ‘no’ on the plan in a referendum

- If a majority vote to support the plan, it comes into force and shapes the future of Winchcombe and Sudeley
